1 Definitions

1.1 In these terms and conditions, unless otherwise stated, the following terms shall have the following meanings:

“Seller” means Mather Wind Turbine Services Limited;

“Purchaser” means the person, firm or company seeking to purchase any Goods from Seller;

“the Goods” means any products, articles, services or corporeal moveables offered for sale by Seller and purchased or to be purchased by Purchaser as specified in the Contract;

“the Order Acknowledgment” means Seller’s written acceptance/acknowledgement of Purchaser’s order for any Goods; and

1.2 Every order issued by Purchaser (in whatever form) and accepted in writing by Seller shall constitute a separate Contract. No Contract shall exist unless and until Seller has used an Order Acknowledgment to Purchaser.

2 Seller’s Terms and Conditions to Apply

2.1 These Terms and Conditions shall apply to and govern any Contract or transaction between Seller and Purchaser and shall supersede and take precedence over any other terms and conditions, whether written or oral (including without prejudice to the foregoing generality, any contained in any order form used by Purchaser), and notwithstanding anything to the contrary in such other terms and conditions.

2.2 No amendment, variation of, or addition to any part of these Terms and Conditions may be made except in writing signed by a duly authorised representative of Seller and Purchaser.

3 Sale and Purchase of the Goods

3.1 Seller shall sell the Goods to Purchaser and Purchaser shall purchase them in accordance with these Terms and Conditions and the terms of the Contract.

3.2 Unless credit terms have been agreed in writing, the Purchaser shall pay 50% of the invoiced total at the point the Order Acknowledgment is issued and thereafter shall pay the balance of the invoice in full and in cleared funds prior to delivery of the date of the Seller’s invoice. Time of payment is of the essence.

- 3.3 The price for Goods shall be that specified in the Order Acknowledgement.
- 3.4 Any price quoted by Seller shall, unless otherwise indicated, be inclusive of the costs of delivery within Seller's normal delivery area. Goods agreed to be delivered outwith this area may be subject to such additional charge for delivery and carriage as Seller deems appropriate in the circumstances.
- 3.5 All prices are exclusive of Value Added Tax which will be added to the price for the Goods at the rate applicable on the invoice date. Seller reserves the right to increase or otherwise vary the price for the Goods where, after an order has been placed by Purchaser but prior to delivery, new, additional, or increased taxes, levies, tariffs, or duties are levied in respect of the Goods by H M Government or any other taxing authority.

4 Delivery

- 4.1 Unless otherwise agreed, Seller shall deliver the Goods to such place or address as Purchaser may specify in its order within Seller's normal published delivery area. Purchaser shall provide manpower and facilities to promptly unload the Goods.
- 4.2 If Purchaser and Seller agree, Goods may be collected by Purchaser from Seller's premises without charge for delivery or carriage. Purchaser shall have sole responsibility for loading of Goods and shall indemnify Seller for any claims arising therefrom.
- 4.3 Seller shall use reasonable endeavours to deliver the Goods within a reasonable period but, unless otherwise expressly agreed in writing, delivery dates specified by Seller are approximate and given for the guidance of Purchaser only. Time shall not be of the essence of the Contract with regard to delivery. Seller shall not be under any liability to Purchaser for any delay in delivery or for non-delivery of the Goods nor may Purchaser cancel the Contract or treat it as repudiated. If delivery is made by instalments separate invoices for each instalment may be issued.
- 4.4 Purchaser must notify Seller in writing within seven days of the date of delivery or collection of the Goods of any damage to or defects in all or any part of the Goods, or if the quantity delivered is not as stated in the Contract or as agreed between Seller and Purchaser. Seller shall use reasonable endeavours to procure that Goods are suitably packaged prior to despatch but without liability to Purchaser for damage for want of suitable packing. Seller shall have no liability whatsoever to Purchaser in

respect of damage, defects or short delivery and Purchaser shall be deemed to have irrevocably waived all its rights and remedies which it might otherwise have had in relation to such damage, defects or short delivery unless proper notification has been made in accordance with this clause 4.4 and clause 8.3 of these Terms and Conditions.

- 5.1 Property and title to the Goods will not pass until such time as payment is made in full to Seller of all sums and debts due in respect of the Goods supplied not only under the Contract but also under any other contract for the supply of goods and all other sums for the time being howsoever due or to become due by Purchaser to Seller.

Alternatively, Seller may require Purchaser at any time forthwith and at Purchaser's expense to deliver the Goods to Seller.
